

## **Donor Roll 2021-22**

Alumni and supporters of Durham University give back to our global community in so many ways: from hosting and speaking at events, to mentoring our students and graduates, and through philanthropy. We are grateful and honoured to receive such generous support and we seek to recognise the substantial efforts of all our supporters.

On this annual Donor Roll, we spotlight and offer particular thanks to those who have made financial gifts across the University and/or provided sponsorship through the Development and Alumni Relations Office (DARO) during each financial year.

In addition to the donors listed below, we are also grateful to the many supporters who donate to the University anonymously, and those who have confirmed donations through their legacies and estates: thank you.
