

Foundation Award in Theology, Ministry and Mission (60 Credits)

This programme is available at **South Central TEI**, in full-time (over half a year) and part-time (up to two years) modes of study. Within the parameters of the regulations set out below, students will negotiate their choice of modules with their tutor, in light of the ministry for which they are preparing or in which they are engaged, and module availability, and ensuring a progression route will be available to the student should they wish to continue to a further award having completed the Foundation Award. Certain combinations of modules are excluded, as detailed in the module descriptors.

There are three methods of delivery:

In Person Learning ¹ – Tutor and student(s) in physical space together.

Online Learning ² – Interaction with tutor and fellow student on an IT platform.

Blended Learning ³ – Combination of In Person and Online.
